**Notice to Employers Who Submit  
Child Support Payments through EFT**

Your company currently submits child support payments to DOR through Electronic Funds Transfer (EFT). We thank you for using EFT to submit your employees' child support payments as it helps make the distribution of child support payments to the families entitled to them run smoothly and accurately.

In the past, DOR sent an Employee Remittance Form (ERF) to your company to be returned with the child support payments you mailed to DOR. **Since you now send your employees' child support payments through EFT, DOR will no longer send an ERF to your company.** If, however, you want to receive an ERF or if you have any other questions about withholding for child support, please contact Employer Services at (800) 332-2733.

Thank you again for your continued cooperation.
